Joy Mining Machinery Contribution to United Way Campaign

WARRENDALE, PENNSYLVANIA – March 2009 - Around the world, Joy Mining Machinery and our employees are actively engaged in supporting their communities with their time and resources. And such is the case with the recent contribution to the United Way Campaign made by Joy, and the employees of the Joy Franklin and Reno Chain Products Operation.

The goal was set at \$17,000 and they exceeded that amount by collecting pledges of \$18,675.50. These pledges were made by salaried employees, and union employees of the International Association of Machinist and Aerospace Workers (IAM) and Office Professional Employees International Union (OPEIU). With matching contributions made by the company, the grand total was brought to \$37,351.

Joy employees involved in this worthy cause were Co-Chairpersons Cornelia Adams and Debby LaJeunesse, along with committee members Dave Garbacz, Tom Sloss and Pete Kluck.
